Without the addition of the Equal Rights Amendment to the Constitution, your civil rights are at risk. Join the **EQUAL RIGHTS AMENDMENT ALLIANCE** to fight for its ratification in NC with nine other state organizations! Take direct action, lobby, build coalitions, and educate others about the ERA.

The ERA-NC Alliance is building volunteer ERA Action Teams for 2017. We need District Team Leaders, Team Leaders, and Team Members. All NC Action Teams direct their own activities and levels of participation.

Our lead organizations:

American Association of University
Women of NC

NC 4 ERA

North Carolina Women United
